Workshops

Title

Learning Today for Tomorrow's World

Opening keynote speaker

Presenter: Sherry Elwood, Superintendent of School District 38

Location: SE06 - Telus Theatre

Start Time: 6/14/2017 9:00 AM

End Time: 6/14/2017 9:45 AM

Session ID: LTCS1400

Lunch - Wednesday

Lunch

Presenter:

Location: Great Hall

Start Time: 6/14/2017 12:00 PM

End Time: 6/14/2017 1:15 PM

Session ID: LTCS1403

---

21 Century Learners/Educators.

What is a 21st century learner/educator? This is interactive workshop can help instructors build activities into the classroom that foster new and innovative ways of learning and thinking.

Presenter: Michele Bridge

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1411

A Culture that Values Teaching.

Within a teaching and learning institution there is a wide variation between programs. This workshop will focus on:
- Understanding the role culture plays in our workplace
- How to use reflective evaluation tools to support instructors in their everyday teaching
- Consideration of best practices

Presenter: Judy Shandler

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 2:45 PM

Session ID: LTCS1415

Are You Stealing Their Opportunities to Learn?

Come to this session to explore opportunities for student-centered learning design and delivery.

Bring: A lesson plan, course syllabus, or be ready to describe your teaching philosophy.

Presenter: Loretta Teng

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1414

Authentic Learner Assessment

This hands on workshop will look at the role that feedback plays in student learning and how to use assessment techniques in the classroom, blended and fully online environment.

Participants: bring course outlines

Presenter: Bonnie Johnston

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1408

Creating Student Engagement On-line.

Join this group for a conversation café that focusses on how to explore student engagement on-line. This workshop will focus on the importance of community and social presence in delivering a rewarding on-line experience for both students and

instructors. Share tips on student engagement and teaching excellence.

Presenter: Lauren Schutte

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1407

Designing with Authentic Assessment.

Authentic assessment challenges students to demonstrate their learning of important concepts and skills, the 'big ideas' central to your field. In this class you will work through a planning process based on authentic assessment of a 'big idea' in your curriculum.

Bring: your learning outcomes

Presenter: Mary Wilson

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1410

Embracing Opportunities – Managing Curricular Development and Change.

The focus of this workshop is to develop strategies for identifying opportunities for curricular innovation as well as for managing the development of change.

Presenter: Lynda Beveridge

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1413

Flipping Your Classroom – A Strategy for Design.

This panel workshop will look at how two faculty in SoCAS planned and implemented a 'flipped classroom' strategy for their curriculum. Instructors will share their experiences in their courses and the group will develop guidelines for using these strategies.

Presenter: Youdan Zhang , Benjamin Yu & Chi-en Huang

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1405

Follow up Q & A to keynote speaker

Sherry is the superintendent of School District 38. Sherry will provide participants with an opportunity to have a Q & A following her morning session.

Presenter: Sherry Elwood

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 2:15 PM

Session ID: LTCS1499

Mentoring as a Way to Reframe Your Teaching and Your Students' Learning Experience

In this workshop we will share a mentoring strategy that can help build a more rewarding teaching experience and will empower students to achieve greater success. Whether you are an experienced mentor or just wondering how to help your students succeed, the workshop will help you develop concrete steps towards a mentoring/coaching style of relationship with your students.

Presenter: Tim Carsen & Oleg Lungu

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1404

Universal Design Instruction – Supporting Learners with Challenges.

In this workshop, you will be able to describe principles of universal instructional design (UID) that support all learners, including those with challenges (auditory, or visual), through the application of UID strategies when creating learning materials, or in the design of PowerPoint™ slides.

Presenter: Peter Fenrich

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1406

Upgrade an Existing Project

Have an existing project in your curriculum that needs reworking or even some tweaking for improvement? At the end of this workshop your upgraded project will enable students to work autonomously, guide their own learning, and negotiate checkpoints as they connect the dots.

Bring: a written project description, templates, rubrics, and samples if available.

Presenter: Aaron Matte

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1412

Why Open Pedagogy Matters.

This session will explore the roles students can play in the teaching and learning process. How can faculty/instructors integrate open pedagogy into existing teaching strategies as a way to meaningfully engage students in the learning process?

Presenter: Rosario Passos

Location: TBD

Start Time: 6/14/2017 1:15 PM

End Time: 6/14/2017 3:15 PM

Session ID: LTCS1409

Workshops

Title

Pedagogy is the Driver, Technology is the Accelerator

Keynote speaker

Presenter: Lisa Read, District Information Technology Coordinator, Cowichan Valley School

Location: SE06 - Telus Theatre

Start Time: 6/15/2017 9:00 AM

End Time: 6/15/2017 9:45 AM

Session ID: LTSC1500

Are You Stealing Their Opportunities to Learn?

Come to this session to explore opportunities for student-centered learning design and delivery.

Bring: A lesson plan, course syllabus, or be ready to describe your teaching philosophy.

Presenter: Loretta Teng

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1502

Author / Adapt an Open Textbook Using PressBooks

This workshop will help participants consider the idea of creating and publishing their own learning resources or textbook. Participants will learn how to adapting an Open Textbook or create their own using Pressbooks, an easy to use authoring platform offered by BCcampus for free to all BC post-secondary faculty..

Presenter: Rosario Passos

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1506

Creating Interactivity and Stimulating Thinking

In this workshop, you will experience a number of practical and easy to engage classroom activities that will enable you to create effective interactions that stimulate higher levels of thinking.

Presenter: Peter Fenrich

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1503

Creating Student Engagement On-line.

Join this group for a conversation café that focusses on how to explore student engagement on-line. This workshop will focus on the importance of community and social presence in delivering a rewarding on-line experience for both students and instructors. Share tips on student engagement and teaching excellence.

Presenter: Lauren Schutte

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1513

Designing with Authentic Assessment.

Authentic assessment challenges students to demonstrate their learning of important concepts and skills, the 'big ideas' central to your field. In this class you will work through a planning process based on authentic assessment of a 'big idea' in your curriculum.

Bring: your learning outcomes

Presenter: Mary Wilson

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1509

Developing a Design Mindset

An approach originally employed by engineers and developers, Design Thinking has entered the arena of Problem Solving, and the 21st Century Competencies. In particular, it is embedded in the renewed K-12 curriculum, and these learners will be

entering post-secondary within the next few years. Will you change your practice to accommodate them? Or do you already leverage the "4 C's" in authentic ways? Do you get the opportunity to share your learning with your colleagues? in this interactive, practical activity, that you can re-purpose in your own environment.

Presenter: Lisa Read

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1504

Education Technology: Your Ready Position

The session focusses on developing an ability to identify a clear purpose when integrating Education Technology in their teaching/learning context. At the end participants will be able to reflect and engage in more meaning discussions about the effective use of technology whatever their level of experience.

Presenter: Aaron Matte

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1505

Embracing Opportunities – Managing Curricular Development and Change.

The focus of this workshop is to develop strategies for identifying opportunities for curricular innovation as well as for managing the development of change.

Presenter: Lynda Beveridge

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1507

Flipping Your Classroom – A Strategy for Design.

This panel workshop will look at how two faculty in SoCAS planned and implemented a 'flipped classroom' strategy for their curriculum. Instructors will share their experiences in their courses and the group will develop guidelines for using these strategies.

Presenter: Youdan Zhang, Benjamin Yu & Chi-en Huang

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1510

Mentoring as a Way to Reframe Your Teaching and Your Students' Experience

In this workshop we will share a mentoring strategy that can help build a more rewarding teaching experience and will empower students to achieve greater success. Whether you are an experienced mentor or just wondering how to help your students succeed, the workshop will help you develop concrete steps towards a mentoring/coaching style of relationship with your students.

Presenter: Tim Carsen & Oleg Lungu

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1511

Problematize Your Learning.

This hands on workshop will demonstrate to participants how to provide opportunities for students to practice collaboration using activities with no clearly defined solutions.

Presenter: Eric Fry & Cathy Griffin

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1512

Teaching in Multilingual/Multicultural Environments

Hands-on participatory workshop.

For Instructors who have limited or no experience of working with multilingual/multicultural students in their classes, this workshop's purpose is to help you feel more comfortable with having multilingual/multicultural in the class. We will also talk about easy-to-implement teaching strategies you can use to facilitate the learning of multilingual/multicultural students.

Presenter: Bonnie Johnston

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1508

Using Technology in the Classroom.

In this workshop participants will practice finding and using interactive websites and collaborative tools boards for use in their classrooms.

Bring: smart pad, ipad, laptop etc.

Presenter: Michele Bridges

Location: TBD

Start Time: 6/15/2017 10:30 AM

End Time: 6/15/2017 12:15 PM

Session ID: LTCS1501

Lunch - Thursday

Lunch

Presenter:

Location: Great Hall

Start Time: 6/15/2017 12:15 PM

End Time: 6/15/2017 1:30 PM

Session ID: LTCS1514
